

Codey Rocky Education Pack - 6 Robots

SKU: P1030046
WEIGHT: 3.93 KGS
UPC: 193122003148
EAN: 6928819508897

Description

• What is Codey Rocky Education Pack - 6 Robots?

The pack is an ideal solution to large-class lectures on robot programming. One kit contains six sets of Codey Rocky, allowing up to 12 students to learn coding at the same time. Powerful features of Codey Rocky allow students to learn scratch, Python AI and IoT. A full set of student's guides, teacher's guides, and PPTs make it easier for teachers to prepare for and deliver lessons. What's more, the Gratnells storage boxes and charging accessories included in the kit can further facilitate teaching. With the help of our kit, teachers can develop courses on programming, and organize robotics or programming competitions.

Features

• Codey Rocky

Codey Rocky is an educational robot that helps children aged 6 + to learn coding in a professional yet fun way. When having fun with Codey Rocky, children not only master the basics of block-based programming and Python, but also develop their interdisciplinary skills.

• Store and Check

Use Gratnells storage boxes to facilitate checking, collecting and storing.

• Charging accessories

8 devices can be charged at the same time and can be fully charged within a class break.

• Supporting Materials

A full set of student's guide (16 sessions) , teacher's guide and PPT. Don't worry even you launch a programming course for the first time.

Specifications

Version - Codey Rocky Education Pack - 6 Robots

Gross Weight - 3.931kg

Package Dimension - 45.5*20*35.5 cm

Transfer Method - Wi-Fi / Bluetooth / USB

Sensors

Codey : LED matrix screen, Loudspeaker, RGB light, Buttons, Gear potentiometer, Sound sensor, Light sensor, Gyroscope and accelerometer, IR transmitter, IR receiver, Volume sensor

Rocky : IR color sensor, DC geared motor

Power - 950mAh Li Battery (charging time: 2hrs approx)

Compatibility - macOS, Windows, iOS, Android

Warranty - <https://www.makeblock.com/support/warranty-information>

Certificates

CE, ROHS, WEEE, EN71, EN62115, FCC, ASTM, CPSIA, CA65, CCC, ST, NCC, RCM, ISO8214
